EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Craig Weiss on 11/3/2005.

The application has been amended as follows:

Claim 1, line 5 of page 4, in the paragraph beginning "a plurality of prong...",
--longitudinal-- is inserted before "recessed";

Claim 1, line 7 of page 4, "covering" is changed to --covers--;

Claim 8, line 3 of page 8, in the paragraph beginning "providing a plurality of prong...",
--longitudinal-- is inserted before "recessed";

Claim 8, line 5 of page 8, "covering" is changed to --covers--;

Claim 11 is canceled;

Claim 12, line 1, "11" is changed to --8--;

Claim 13 is canceled.

2. The following is an examiner's statement of reasons for allowance: The claims as amended 10/27/2005 and via the above examiner's amendment are deemed to be allowable in reciting the combination of the large opening, detachable roof therefor, the longitudinal recesses

for the rear prongs and the quick release mechanism at front. Such a configuration defines over the prior art of record in that it allows a large opening for emergency exit that can be initiated solely from the front of the vehicle. The first embodiment of Heins requires release to be initiated at all four corners of the detachable roof and lacks the longitudinal recesses as claimed. While these longitudinal recesses are not, of themselves new to the art, it is not deemed obvious based on the prior art of record, to provide them solely at rear with a quick release at front.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Dennis H. Pedder whose telephone number is (571) 272-6667. The examiner can normally be reached on 5:30-2:00.
